

Business Program Ally Application

Program Allies are businesses that work directly with Mon Power and Potomac Edison customers to plan and implement energy efficiency projects.

This form provides the information needed to include your business contact on the West Virginia Lighting for Business Program website. You will also be added to our program database to receive regular announcements and updates.

The information on this form will be posted on the Program Ally list on the Business Program website, hosted by Leidos, unless you indicate below that you do not want your business to be included.

Yes, please include my business information in the Program Ally list

No, please do not include my business information in the Program Ally list

General Program Rules

By signing this Ally Registration Form, you agree:

- Your Company's participation in the West Virginia Lighting for Business Program will comply with all published program guidelines.
- Allies will be provided with any changes or modifications to the program guidelines.
- Listing in the Program Ally database does not constitute an endorsement of the Program Ally by the West Virginia Lighting Program.
- Use of the West Virginia Lighting Program name or logo by Program Allies must receive prior authorization from Program Staff.
- The Program Ally agrees to abide by all applicable laws, building codes, and licensing. In addition, the Ally will carry insurance coverage and shall produce proof of coverage upon request.
- Your business is in good standing with state and local agencies such as licensing or consumer complaints.
- Participation in the West Virginia Lighting for Business Program Ally Network is voluntary and may be terminated by either party at any time or for any reason without penalty.

Submission of this form and/or listing on the program website is not a guarantee of work or an endorsement, and does not give rise to any obligation to a Program Ally by either FirstEnergy or Leidos. Neither Leidos nor FirstEnergy will solicit or provide direct compensation to the participating Program Allies for their services on a FirstEnergy customer's behalf. FirstEnergy customers may use the contractor, product, or service provider of their choice, regardless of whether the individual or firm is on the Program Ally list. The Program Allies may enter into direct and independent contracts with FirstEnergy customers.

By signing below, I agree to comply with the West Virginia Business Program rules and guidelines and to have my information listed on the website as a Program Ally. Type your name into the signature field to provide an electronic signature.
